SESHA 33rd Annual International High Technology ESH Symposium & Exposition

**SIA IHTESH**  
International High Technology Environment, Safety and Health Conference

**May 16-20, 2011 Hilton Scottsdale, AZ**

[Call for Papers as PDF file for printing]

SESHA and the SIA announce a major event for 2011. The SESH A 33rd Annual International High Technology ESH Symposium and Exhibition is joining with the SIA's IHTESH conference to present a world class ESH Symposium and Exhibition for 2011. This exciting event will be held at the Hilton Scottsdale Resort in beautiful Scottsdale, AZ, May 16-20, 2011. The Hilton is located in the heart of Scottsdale, with easy access to several championship golf courses and surrounded by worldclass shopping, dining, museums and recreational activities.

### CALL FOR PAPERS

You are invited to submit an abstract to be considered for inclusion in the Symposium. Papers are being solicited for the following topic areas:

- Global Chemical Regulations and Compliance Strategies (REACH, RoHS, TSCA Reform, GHS, etc.)
- Emerging ESH Codes and Regulations
- ESH Issues in the PV / Solar Manufacturing Industry
- Greenhouse Gas Programs (Emissions Estimating, Inventory Tracking, Abatement Technologies, etc.)
- Safety / IH Issues and Programs (Electrical Safe Work Practices, Lockout/Tagout, Implanter Safety, Ergonomics, IH Sampling Strategies, New Chemical Toxicology, etc.)
- Energy and Utility Conservation / Alternative Energy Technologies
- Nanomaterial ESH Studies
- Risk Management
- Climate Change Mitigation Strategies
- Chemical Management and Pollution Prevention Technologies
- Waste Minimization and Green Programs (Recycle, Reclaim, Reuse Strategies / Sustainability)
- Corporate Social Responsibility (Conflict Minerals Reporting, EICC, etc.)
- Lessons Learned

Presentations should be 45 minutes in duration (please include approximately five minutes for questions and answers). Speakers will be expected to use electronic presentation materials displayed through a data projector.

Abstracts and bios are to be submitted using this web site. Abstracts are required earlier this year due to the volume expected for the combined SESH A/SIA conference.  
Click here to go to abstract submittal page.

- The deadline for abstract and bio submission is **21 January 2011**.

<http://www.seshaonline.org/meetings/2011/abstracts/>

10/7/2010

- Notification of acceptance or rejection will begin **24 January 2011**.
- Selected speakers must submit a paper or presentation materials by **24 March 2011** for peer review.

### PROFESSIONAL DEVELOPMENT COURSES (Half and Full Day Courses)

You are invited to submit a syllabus for a Professional Development Course (PDC) to be held at the Symposium. PDCs can be either full day or half day. Submit abstracts and bios using this web site. [Click here to go to PDC submittal page.](#)

PDC's and Speakers in the following subject areas are especially encouraged:

- Introduction to Semiconductor and Photovoltaic ESH
- Codes and Regulations (Specific to Semiconductors and Photovoltaics)
- Risk Management
- Emerging ESH Issues (Nanomaterials, New Chemistries, etc.)
- ESH Ethics

Each course will have a target audience indication to assist attendees in choosing their courses (details for both can be found on the online PDC submission form). Please include a syllabus of the course, an abstract (using the same format as noted on the submission for Symposium abstracts), bios of presenters and a budget.

- The deadline for PDC syllabus submission is **21 January 2011**.
- Notification of acceptance will begin **24 January 2011**.
- Final determination on PDC enrollment/breakeven will be **24 March 2011**.

If you have any questions, please contact the SESA Secretariat at (703)790-1745.

We look forward to seeing you May 16-20 in Scottsdale, AZ.
